Teams must "purchase" & use at least two additional items from the "grocery store". Teams will receive a pricing sheet for "grocery store" items at their station. The currency system will be explained prior to the contest. Teams may not exceed the provided "contest currency" or trade "currency" or grocery store items with other teams. Teams will be provided a set dollar amount to "spend" at the store; each item in the store will be priced and teams must calculate cost according to total spent.

Dishes/recipes created should include two or more servings.
